

Community Award for YOT Police Officer

December 2008

At a very well attended ceremony, organised by Bradford Punjabi Cultural Society, PC Charanjit Singh's work in his local community was formally recognised. It was in appreciation of his work over many years in the BD3 area where he himself was born and brought up. He is now attached to the YOT but he continues to have a presence in the neighbourhood and is involved in many initiatives which are helping to make the community safer.

PC Singh is shown receiving the award from the Lord Mayor of Bradford Cllr. Howard Middleton, with Hoshiar Singh from the Bradford Punjabi Cultural Society.

The ceremony also included a dance performance by a local community group.
